

## Diploma

**Emma Witkowski**

has successfully completed the 2 hour workshop “**teachIT – Feedback on written material**”,  
December 9 2011 at the IT University of Copenhagen.

### Programme:

- How to make the feedback process more effective
- How to use tools for giving feedback
- How to use student peer review

The teachIT workshops are a mix of theoretical introductions, method descriptions, trial and plenary reflections on transfer to own teaching and supervision.
